

# Tennis Newsletter - November 2015

## Tennis Rules and Regulations

The Plantation Tennis program is an amenity provided to the residents and tennis members for enjoyment, friendly competition, a possible stress reducer and a healthy activity to enhance your overall well-being. While participating in our tennis program, it's important to follow the rules and regulations for everyone's safety and to ensure a fun, friendly atmosphere. Please [click here](#) for the Tennis Rules and Regulations.

## Court Reservation Notice

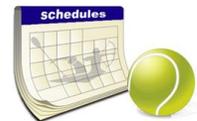

If you wish to play, please make a court reservation. Walk-ons can be accommodated most times, but not all the time. Please be courteous when your court time has expired so others may start on time.

All prime time court requests (8-11) must be booked as follows: 8-9:30 a.m. or 9:30-11 a.m.

To reserve a court please email the Tennis Director, Mike Brandon, at [michaelplantationtennis@yahoo.com](mailto:michaelplantationtennis@yahoo.com)

## Tennis Schedules

**Men's Drop in Tennis**  
Tuesdays | 9:30-11 a.m.  
Wednesdays | 8-9:30 a.m.  
Thursdays | 9:30-11 a.m.  
2 Courts Reserved

**Men's Drill**  
Monday and Friday  
8-9:30 a.m.

**Tennis Director**  
Michael Brandon

## Court Reservations

Next day reservations will be accepted until 12 p.m. the previous day. Requests received after 12 p.m. will not be guaranteed. Please don't take the chance of missing out on a court and not being able to play!

Resident members may reserve a court up to one week in advance and will be allotted up to a 1.5 hour time slot. Please be courteous to those waiting to play at their scheduled time. Back-to-back court reservations are not permitted.

Reservations can be made by email only at [michaelplantationtennis@yahoo.com](mailto:michaelplantationtennis@yahoo.com).  
\*Please put request in message area, not subject area.

## Racquet Restringing

Bring in your racquet to have it inspected for restringing. **REMEMBER** that racquets should be restrung at least three times per year. A properly strung racquet will aid you in ball striking, and arm troubles will also benefit with new strings.

## Lessons

Let's get those tennis games up and in shape! Form your own small group and take a clinic or a private lesson to address your areas of concern. Lessons will help to improve your weaker areas and build on your strengths. Lessons will help your tennis game - that we can assure you!

Mike is a certified member of the United States Professional Tennis Association (USPTA), the world's oldest and largest association of tennis teaching professionals. He has achieved, the highest rating of P-1 from the USPTA.

## Closing words from Mike

The Halloween Mixer is rapidly approaching and I want to thank all that signed up for this event. The event is so popular that after only 1 weeks' notice we are full with entries and a waiting list has been started. I appreciate the support as I try to include fun mixers through the year. The next Tennis Mixer will be Saturday, December 5th. At this time the event will be a fund raiser to support Caloosa Humane Society or a fun Holiday event, details to follow. On Friday, October 16 we hosted our first home league match. Our Ladies Gold won 3-1. Please check the bulletin board near court 1 to see all home matches for that week.

Thank you.
